TEKST

Couplet

There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the dark
Finally I can see you crystal clear
Go 'head and sell me out and I'll lay your ship bare
See how I leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and its bringing me out the dark

Pre-chorus

*The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless, I can't help feeling*

Chorus 1 x

**We could have had it all
Rolling in the deep
You had my heart inside of your hand
And you played it to the beat**

Couplet

Baby I have no story to be told
But I've heard one on you and I'm gonna make your head burn
Think of me in the depths of your despair
Making a home down there 'cause mine sure won't be shared

Pre-chorus

*The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless, I can't help feeling*

Chorus 2 x

**We could have had it all
Rolling in the deep
You had my heart inside of your hand
And you played it to the beat**

Couplet

Throw your soul through every open door
Count your blessings to find what you look for
Turned my sorrow into treasured gold
You pay me back in kind and reap just what you sow

Bridge

You're gonna wish you never had met me
Tears are gonna fall, rolling in the deep
You're gonna wish you never had met me
Tears are gonna fall, rolling in the deep

Chorus 2 x

**We could have had it all
Rolling in the deep
You had my heart inside of your hand
And you played it to the beat**
