COUPLET

Remember those walls I built
Well, baby, they're tumbling down
And they didn't even put up a fight
They didn't even make a sound
I found a way to let you win
But I never really had a doubt
Standing in the light of your halo
I got my angel now

PRE-CHORUS

It's like I've been awakened
Every rule I had you break it
It's the risk that I'm taking
I ain't never gonna shut you out

REFREIN/CHORUS

**Everywhere I'm looking now, I'm surrounded by your embrace
Baby, I can see your halo, You know you're my saving grace
You're everything I need and more, It's written all over your face
Baby, I can feel your halo, Pray it won't fade away
I can feel your halo (halo) halo
I can see your halo (halo) halo
I can feel your halo (halo) halo
I can see your halo (halo) halo**

COUPLETS

Hit me like a ray of sun
Burning through my darkest night
You're the only one that I want
Think I'm addicted to your light
I swore I'd never fall again
But this don't even feel like falling
Gravity can't forget
To pull me back to the ground again

PRE-CHORUS

Feels like I've been awakened
Every rule I had you break it
The risk that I'm taking
I'm never gonna shut you out

REFREIN/CHORUS

**Everywhere I'm looking now, I'm surrounded by your embrace
Baby, I can feel your halo, Pray it won't fade away
I can feel your halo (halo) halo
I can see your halo (halo) halo
I can feel your halo (halo) halo
I can see your halo (halo) halo**
