CHORUS

**I gotta feeling that tonight's gonna be a good night
That tonight's gonna be a good night
That tonight's gonna be a good, good night
A feeling that tonight's gonna be a good night
That tonight's gonna be a good night

That tonight's gonna be a good, good night
A feeling, woohoo, that tonight's gonna be a good night
That tonight's gonna be a good night
That tonight's gonna be a good, good night**

COUPLET

Tonight's the night, let's live it up
I got my money, let's spend it up
Go out and smash it like oh my God
Jump off that sofa, let's get, get off

I know that we'll have a ball
If we get down and go out and just lose it all
I feel stressed out, I wanna let it go
Let's go way out spaced out and losing all control

BRIDGE

*Fill up my cup, Mazel Tov
Look at her dancing, just take it off
Let's paint the town, we'll shut it down
Let's burn the roof, and then we'll do it again*

*Let's do it, let's do it, let's do it, let's do it
And do it and do it, let's live it up
And do it and do it and do it, do it, do it
Let's do it, let's do it, let's do it*

CHORUS

**Cause I gotta feeling, woohoo,
That tonight's gonna be a good night
That tonight's gonna be a good night
That tonight's gonna be a good, good night
A feeling, woohoo, that tonight's gonna be a good night
That tonight's gonna be a good night
That tonight's gonna be a good, good night**
